June 20, 2016, Downers Grove, IL – FTD is pleased to announce the FTD Florist Members who have achieved a major milestone anniversary with the 106-year-old floral network. FTD recognized more than 1,500 florists in the U.S. and Canada in 2016 for being a continuous member for 5, 10, 15, 20, 25, 35, 50, 75 or 100 years.

“FTD values the partnership we have with thousands of florists across the U.S. and Canada, and their respective years in business and as members,” said Tom Moeller, Florist EVP. “Our main purpose is to help retail florists take their business further by offering high value orders, products like containers, flowers and Mercury Point of Sale, services and various educational programs.
