

Dear Industry Member:

Thank you for your interest in nominating an individual to the Society of American Florists' Floriculture Hall of Fame.

As the national trade association for the floral industry, SAF views the Hall of Fame as an opportunity to celebrate our industry's heroes. Accordingly, the Awards Committee strives to identify individuals who exemplify either, or both of the following two characteristics:

- The person has been instrumental in creating significant and lasting improvements or innovations for the industry, or
- The person has performed such extraordinary service within the industry that he/she has become an inspiration throughout the floral community.

The deadline for nominations is May 1, 2024.
